

2011 Air Show Transient Aircraft Reservation

A limited number of transient aircraft will be allowed to park on the field during the show. Fifty spaces are being allocated and will be assigned on a first-come, first served basis. The price is \$25.00 per aircraft per day. The price includes admission to the Airshow for the pilot only. Any passengers must pay admission.

Pilots who are museum members are exempt from the \$25.00 fee.

Note: Due to the air show waiver on Saturday and Sunday being in effect, all aircraft must arrive before 9:00 am and they will not be allowed to depart until after 5:00 pm.

Contact the Air Boss upon arrival at D52 to confirm your reservation and to receive clearance to land.

To reserve a space, fill out this form and mail it, along with your check, to the HAG office. All requests for parking spaces must be received by 17 Jun 11.
